

# EXHIBITOR CREDENTIALS

## EXHIBITOR SHOW CREDENTIALS ARE NOW DIGITAL!

For your convenience and safety NMMA has transitioned to a contactless digital exhibitor credential.

If you have not done so, please order your credentials for the Atlantic City Boat Show.

Credential allotment is determined by your company's total square footage of contracted exhibit space. When your contracted space balance is paid in full, credentials will be emailed.

### Admittance Protocols

You will be required to show your exhibitor credential on your mobile device each day/time you enter the show.

Benefits of this system:

- Streamlines entry to the show as you will not be required to present a photo ID.
- Ensures your identity cannot be used by someone else.
- Only allows authorized personnel access to the show floor outside of operating hours.

If you have any questions, please contact Monica Puentes at [accredentials@nmma.org](mailto:accredentials@nmma.org) or (646) 370-3660
