PLAYING OF MUSIC

If any copyrighted music is to be played at your display, you must obtain all necessary licenses from the copyright owner or licensing agency representing the copyright owner.

The licensing requirements include the playing of live as well as recorded music (records, tapes, compact discs, radio broadcast, etc.) and also include music whether it is the essence of the presentation or is used only as background on videotapes or other presentations.

To obtain a valid ASCAP or BMI license, simply write a letter to the agencies listed below and tell them of the composition and the names and dates of the show you will be playing it for.

Other options available to you are:

- Simply don't play music in your display.
- Contact the composer to make your own deal.
- Use the music that is in the public domain.
- Use the music from music libraries that have already obtained their own licenses from ASCAP and BMI or create original work.
